After School Band Rehearsal

We will have an **after school rehearsal on Wednesday, November 15th**. This is a mandatory rehearsal and it is essential for a successful performance. As you know, the 5th grade band does not meet as one ensemble during the school day. Parents, please fill out the bottom portion of this paper allowing your child to stay after school. **Rehearsal ends at 4:30**. Please pick up your child near the band room doors which are located near the entrance to the varsity gym.

In School Dress Rehearsal

In the morning of Monday, December 4th we will walk over to the high school to have our only rehearsal on the high school stage. It is very important that students are in school this day. No permission slip is needed.
